(a) Reports to Congressional committees of intelligence activities and anticipated activities

(1) The President shall ensure that the congressional intelligence committees are kept fully and currently informed of the intelligence activities of the United States, including any significant anticipated intelligence activity as required by this subchapter.

(b) Reports concerning illegal intelligence activities

The President shall ensure that any illegal intelligence activity is reported promptly to the congressional intelligence committees, as well as any corrective action that has been taken or is planned in connection with such illegal activity.
